IMPORTANT INFORMATION AND INSTRUCTIONS

PURPOSE

The Investor Profile Form will assist the South Pacific Stock Exchange (SPSE) in capturing relevant details of all stock market investors. The collected data will assist SPSE in developing an Investor Profile Database for the stock market which will in turn assist stakeholders of the capital markets in carrying out analysis for decision making and record keeping.

SUBMISSION OF INVESTOR PROFILE FORM

The Investor Profile Form should be filled in and signed by the investor when placing a buy order or a sell order with their respective licensed broker. Once the investor's order is executed, the broker will submit the completed form to SPSE during settlement of the trade.

When should the investor fill in this form?

- If the investor has not previously submitted this form to SPSE, the investor is required to fill all relevant sections of the form.
- If any of the information on the form has changed since the last time it was submitted to SPSE, the investor is required to submit updated information to SPSE by filling in the relevant section(s) of the form only.

HOW TO COMPLETE THIS FORM?

Follow the instructions below to determine which sections of this form are required to be completed, and when.

Tick *Buyer* if the investor is placing a buy order or *Seller* if the investor is placing a sell order. This will assist SPSE in identifying which investor the broker is representing.
